Playing their second game on home ice this season, Didsbury Ramblers were not able to come up with a win but they certainly let the unbeaten Ponoka Stampede know they had been in a hockey game. At times we wondered if it was a hockey game or a wrestling match.

The visitors kept their unbeaten string intact with a 10-6 win but it must be some consolation to the losers that they have scored more goals against Stampede this season than any other team in the league.

Ponoka went into the lead early in the game and seemed to be waiting for an opportunity to increase the margin when Leo took a penalty for interference. The complexion of the game changed very suddenly as the locals rapped in three goals in the space of 44 seconds. (What is the league record, please?)

Ramblers stayed in there the rest of the game but the experience and extra help from the Stampede have had by artificial ice showed the way and it was pretty well decided after the second period who was going to win the game.

The score was 7-4 at the end of the second session and 10-6 at the final whistle. There were sixteen goals scored and it is a little difficult to describe the picture ones and the soft ones but we can tell you that Smith, MacLean and Polone got a pair each for the locals.

It was one of the rougher games we've seen this season and in this department we definitely believe the Ramblers came out on top. All the fights were not in our end of the arena but from what we saw it seems the lads won't back up from anyone, regardless of size.

During the holiday season the locals played two games with Olds and one with Red Deer. They defeated the Shamrocks 8-5 but bowed twice to those rascals from Olds, 4-2 in overtime at Olds on Boxing Day and 4-2 here on New Year's Day. Lake McArthur, all we can say to Olds is, 'We'll be back.'

The next home game for Ramblers will be on Tuesday, January 11th, when Lacombe Rockets will be visitors on local ice.

### Through The Study Window

By REV. C. C. ARMSTRONG

Among the events of the week of Christmas to New Year there was the Tuxis' Boys Parliament. Delegates to this group are boys of ten age but not from Tuxis Squares only. They represent church groups, Sunday School and Young People's organizations. In their meeting together they follow the rules of procedure that are employed in the senior parliaments of our land. This training, and the fellowship with one another, is very valuable indeed, and any boy who has been to parliament never regrets the experience.

Of course, they do not all profit equally, nor are the ideas and opinions they express such that the members feel duty bound to uphold them to their lives end. The group is formative, constructive and creative rather than conclusive and authoritative. Young people of course, are on occasion much more dramatic and assertive than their elders, but this is a natural and healthy condition.

The editor of the "Calgary Herald", which is a more or less respected contemporary of the "Pioneer", has taken the Tuxis Parliament to task for voting down a resolution favoring conscription in Canada. He hopes that there are other young men in this province with more intelligence and a better developed sense of responsibility than those at the Tuxis' Boys Parliament. He thinks their action was presumptuous, distasteful, wishy-washy and spineless. The major portion of this diatribe is directed further against a young man from Calgary, whom he names and classifies as a "suspect" and a young fool, conceited, insolent, unjust and insulting.

Tsk! Tsk! It reminds me of the fact that while honest differences of opinion do exist, and very often discussion is heated, that argument which consists in heaping up insulting invective is of very little use, and with very little power of conviction back of it.

The Tuxis' Boys Parliament was in agreement with the senior parliament in its stand on conscription. It made no personal attack on any individual either within or without its own membership, and it was seeking to formulate a policy which allowed room for the volunteer soldier to enlist at the same time denying that military expedients was the first law of national survival.

I cannot help feeling that in this instance the Herald editor has demeaned himself and his paper, and that his utterances are "full of sound and fury, signifying nothing." Perhaps it was an overdose of turkey, perhaps it was the need to say something about something. Certainly he has an altogether false impression of the worth of the Tuxis Parliament, which is composed of splendid young fellows and truly beneficial to the youth movements of the land.

AGRICULTURAL  
SERVICE  
BOARD  
NOTES

**W. E. Snyder**  
Field Supervisor

Now that the holiday season is past  
we can all settle down to the regular  
routine of living again. I would like  
to talk this week about the new reg-  
ulations pertaining to Bonus Disease.  
These regulations are now being  
observed at Auction yards both in  
Olds and Cremona. The regulations  
state that ALL female cattle between  
1 and 10 months must be vaccinated  
prior to the sale, and those too old  
for vaccination shall be blood tested  
unless they have been vaccinated as  
calves. Sprayed heifers are exempt  
from these regulations.

The object of these regulations is  
to guarantee to the buyers that they  
will not be getting cattle that have  
the dreaded Bonus Disease. It is very  
easy for one infected cow to introduce  
the disease into a clean herd and  
start an abominable storm, some-  
thing that herd. The loss of a calf  
crop is very costly and troublesome,  
and it behooves everyone to take  
every precaution both in vaccinating  
all heifer calves and when taking in  
replacements.

If you plan to sell either heifers or  
cows at either of these sale yards  
make sure that you comply with the  
new regulations of vaccination or  
blood test before the day of the sale  
by contacting your Veterinarian  
and have him attend to this matter.  
This may be a bit bothersome at  
the start but I am sure that if you  
are a buyer, you would want assu-  
rance of the health of the animal you  
buy. Likewise if you are a seller, you  
can with confidence offer your ani-  
mal for sale and they will undoubt-  
edly command the top price for you.  
On sale day bring along your certifi-  
cate of vaccination or blood test.

Happy New Year to all of our read-  
ers. May this be a year of prosper-  
ity both in the temporal and spiritual  
areas of life, so that at the end of  
1954 there may be satisfaction in all  
that has been accomplished during  
the year.

The students will be returning to-  
day (Monday). A few remained on  
campus during the holiday but it was  
nice to have all of them with us  
again. They return to take their  
first semester's examinations just  
one week in the future. What a be-  
ginning for the New Year!  
Most of us have had several turkey  
dinners during the holidays. The  
Taylors had their folks from Calgary  
for New Year's dinner. Mrs. Suter  
was entertained in the home of Rev.  
Gordon Pedels of Sundre as the re-  
lations of Mrs. Pedels met there for  
the day. This included the Arthur  
Eby family as well. Miss Eby spent  
the day with the Loran Eby family.  
The Lusks and Mr. Widmark were  
guests in the home of Wilmer Reist.  
It was a Happy New Day for all of  
us.

We appreciated greatly the oranges  
sent us as a Christmas gift by J. V.  
Berscht & Sons. Each year these  
friends of the College remember to  
send such a gift. The students and  
faculty greatly enjoyed this addition  
to their Christmas festivities.

A number of the students and fac-  
ulty enjoyed a skating party at the  
home of Lloyd Stauffer. Mrs. Stauffer  
was busily engaged in preparing  
refreshments during the evening and  
some 40 skaters were served bound-

were enjoyed. The program also in-  
cluded a bit of fun, under manage-  
ment of Mrs. Ed Kinick and Mrs.

## IN MEMORIAM

In loving memory of our dearly  
beloved daughter, Brenda Jean, who  
passed away January 3, 1954.

"Deep in the heart lies a picture,  
Of our loved one gone from us.  
In memory's frame we shall keep it,  
Because she was loved so much."

missed by Mommy, Daddy, and sis-

fully with hamburgers, hot dogs and  
a special cake for New Year's. Kettles  
of hot chocolate helped warm up the  
skaters as they came in from their  
activities. It was a wonderful party  
and all enjoyed it immensely.

Several of the students worked dili-  
gently on theses and work missed  
during the semester each day during  
the vacation period. The library was  
kept open for that purpose. Alfred  
Dietz and Wayne Kacey took daily  
classes in Greek to make up work lost  
during their recovery from the acci-  
dent sustained in November. They  
are diligent students and much of  
their lost time was regained during  
these days. They are both progres-  
sing quite well.

Sherrell and Keith Taylor had as  
their guests on Sunday, Doris and  
Donnie Habermehl.

Miss Eby entertained the Taylors  
at dinner Friday evening. She also  
had other members of the faculty  
during the holiday season.

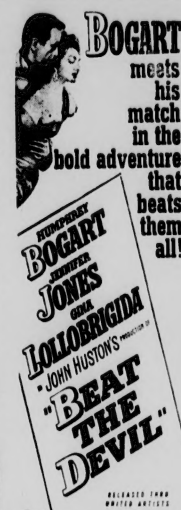

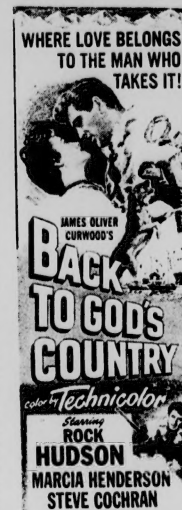

Mrs. Suter entertained the Arthur  
Eby family and Miss Gladys Eby  
Monday night at dinner.
